PETITION FOR RULE MAKING

Maurice Salsa (Petitioner), pursuant to 47 C.F.R. 1.401, hereby requests the commission to amend section 73.202 (b) of its rules, the FM Table of Allotments, to allot channel 293A (106.5 Mhz) at Grannis, Arkansas.

DISCUSSION

Grannis, Arkansas is an incorporated community of over 507 people. Petitioner respectfully submits that the public interest would be served by allocating Channel 293A to Grannis, Arkansas, as that community's first aural broadcast transmission service. Grannis has its own mayor, Max Jones, its own post office, its own fire department, its own city hall and a number of local churches. The proposed channel 293A will provide additional diversity and an outlet for local self-expression to Grannis residents and therefore is in the public interest.

Attached hereto is a channel study confirming that Channel 293A can be allocated to Grannis, Arkansas consistent with the FCC's FM separation rules. See revision of FM Assignment Policies and Procedures, 90 FCC 2d 88 (1992).

Reference coordinates are:

34 16 16 N  
94 11 15 W

Petitioner hereby states that if the commission grants this petition, he will apply for the channel when it is allotted, and, if his application is granted, he will promptly build the station.

WHEREFORE, for the foregoing reasons, Petitioner respectfully requests the commission to grant this petition and to allot channel 293A to Grannis, Arkansas.

The information provided in this Petition for Rule Making is correct and true to the best of my knowledge.

Respectfully submitted,

By:
